

COMMUNITY PRESBYTERIAN NURSERY SCHOOL TOUR

WELCOME TO COMMUNITY PRESBYTERIAN NURSERY SCHOOL

We are so happy that you would like to learn more about our school. Community Presbyterian Nursery School is located behind the Community Presbyterian Church at 1459 Deer Path, Mountainside, NJ. Our school has been at this location for over 60 years and is often referred to as "A Mountainside Tradition."

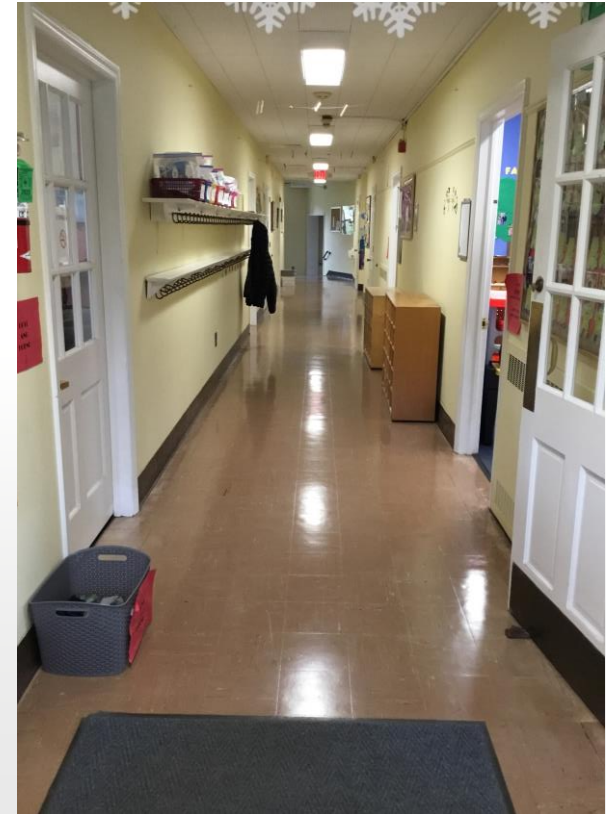

MEET OUR DIRECTOR

Our Director, Karen Evers, grew up in Mountainside and has worked in the field of education for over 25 years. She is a certified elementary education teacher and also has a Master's Degree in Special Education. Please feel free to call or email her at any time if you have any questions.

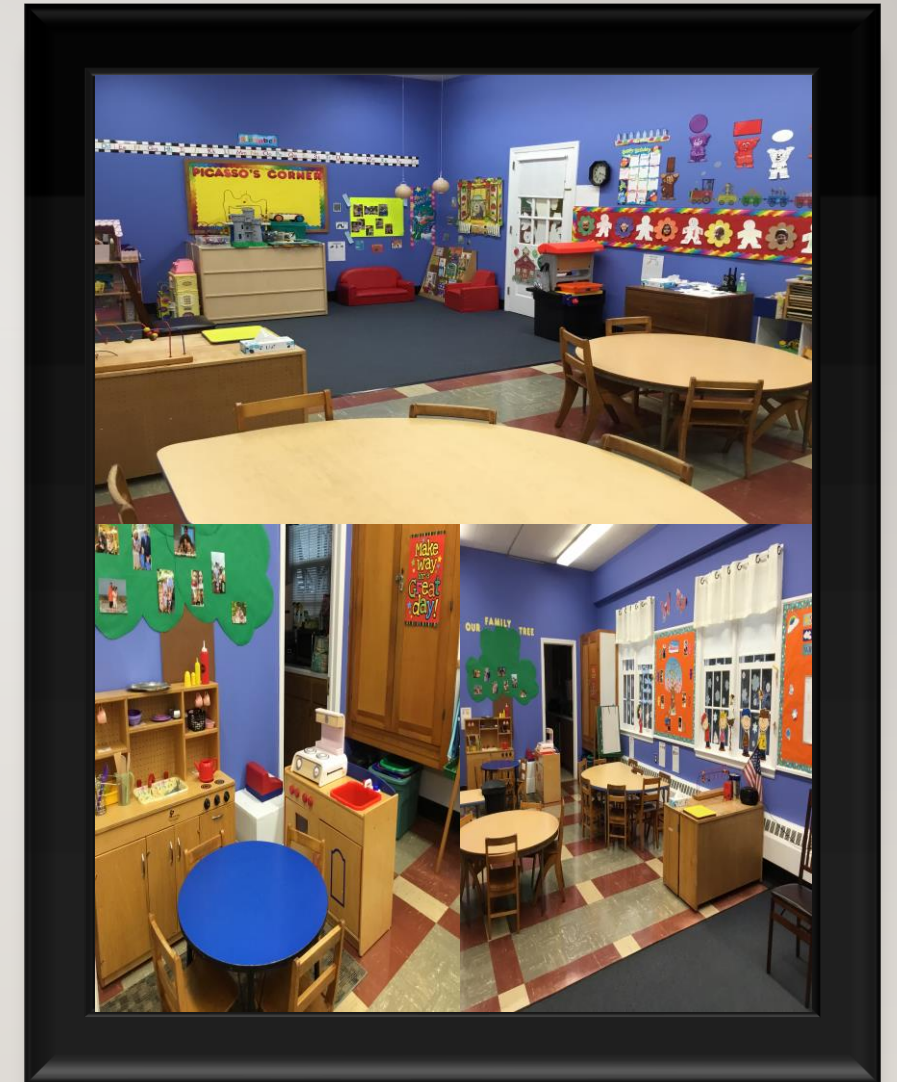

FIRST FLOOR

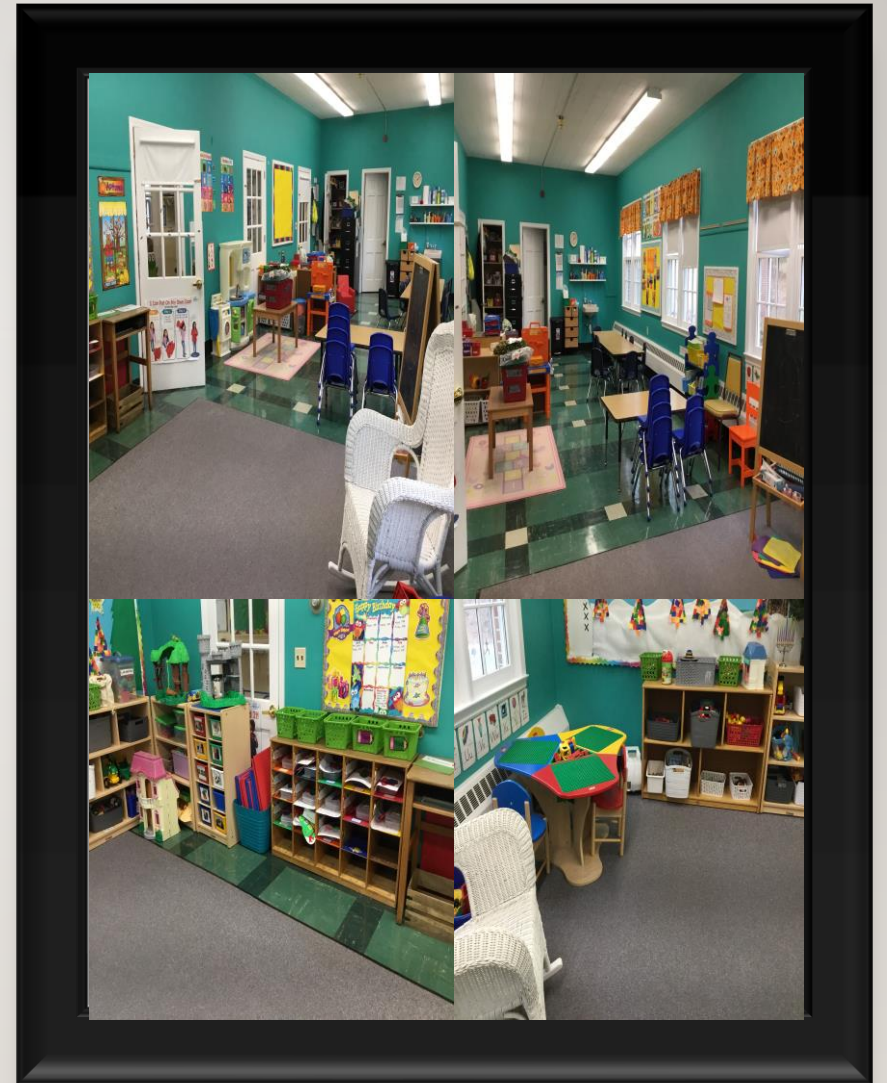

2 ½ YEAR OLD CLASS

The 2 ½ year old class is usually a child's first exposure at school or being away from their parents and/or family members. Teachers assist with separation anxiety and potty training as well as introduce a routine to the child's day. Other concepts introduced are sharing, following directions and developing self help skills. A small kitchenette is connected to the classroom and bathrooms are located at the end of the hallway. Teachers escort children to the bathrooms where a changing table is available if needed. Children do not have to be potty trained.

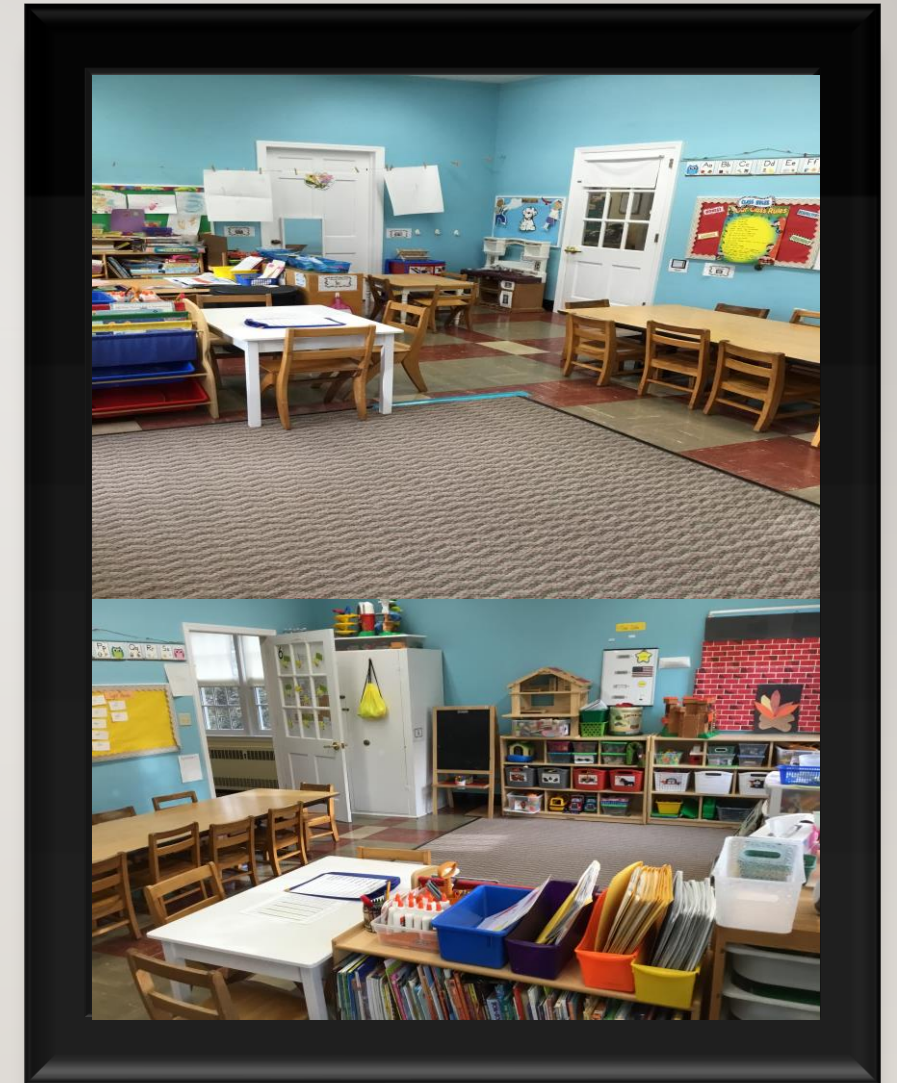

3 YEAR OLD CLASS

Our 3 year old class has 2 teachers and can have up to 16 children. Children must be 3 by October 1st and potty trained. A small kitchenette is connected to the classroom and bathrooms are located across the hall. Teachers supervise all bathroom activity. Some concepts introduced in this class are recognizing and writing the letters of the alphabet using the Learning Without Tears curriculum, reviewing numbers 1 through 10 and recognizing shapes and colors. Children continue to develop self help skills and socializing with children their own age.

4 YEAR OLD CLASS

Our 4 year old class is for children who will be entering kindergarten in the following year. Our goal is to prepare the children for kindergarten academically, emotionally and socially. We use the Learning Without Tears curriculum, specifically the Kickstart to Kindergarten level. The children participate in many hands on activities and teachers also work one on one with students at their own level. Each 4's class can have up to 12 students and either 1 or 2 teachers.

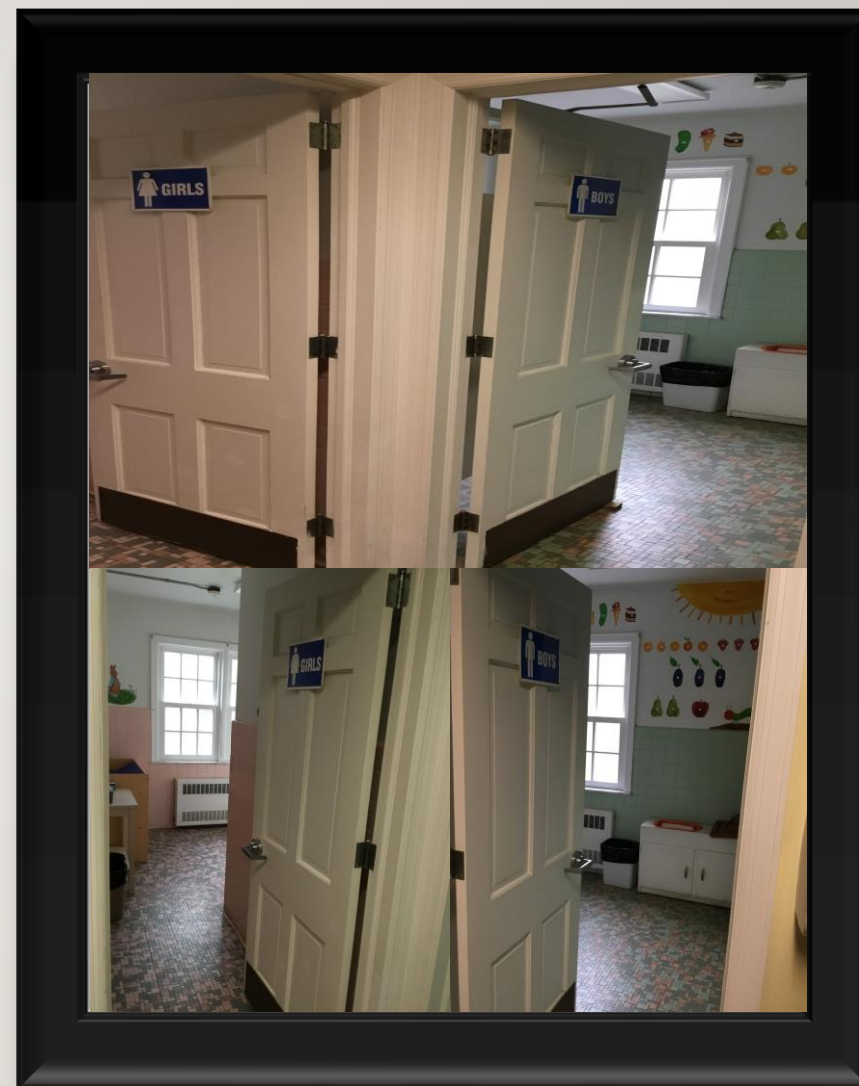

4 YEAR OLD CLASS

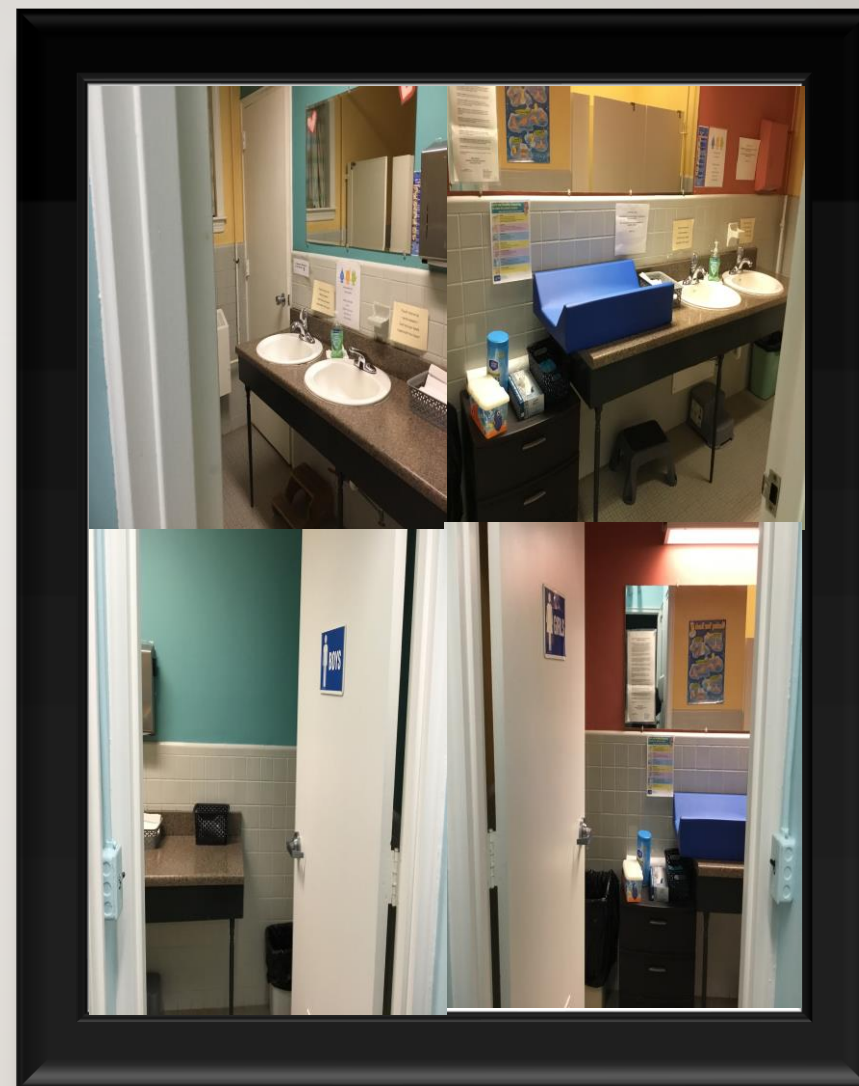

There is a boys and girls bathroom next to one of our 4 year old classrooms and down the hall from our other 4 year classroom. Bathrooms are supervised by the teachers. Each child has their own cubby, coat hook and supplies to use. Children enjoy music time throughout the week and we will soon be offering Spanish to our 4's classes.

UPSTAIRS BATHROOMS

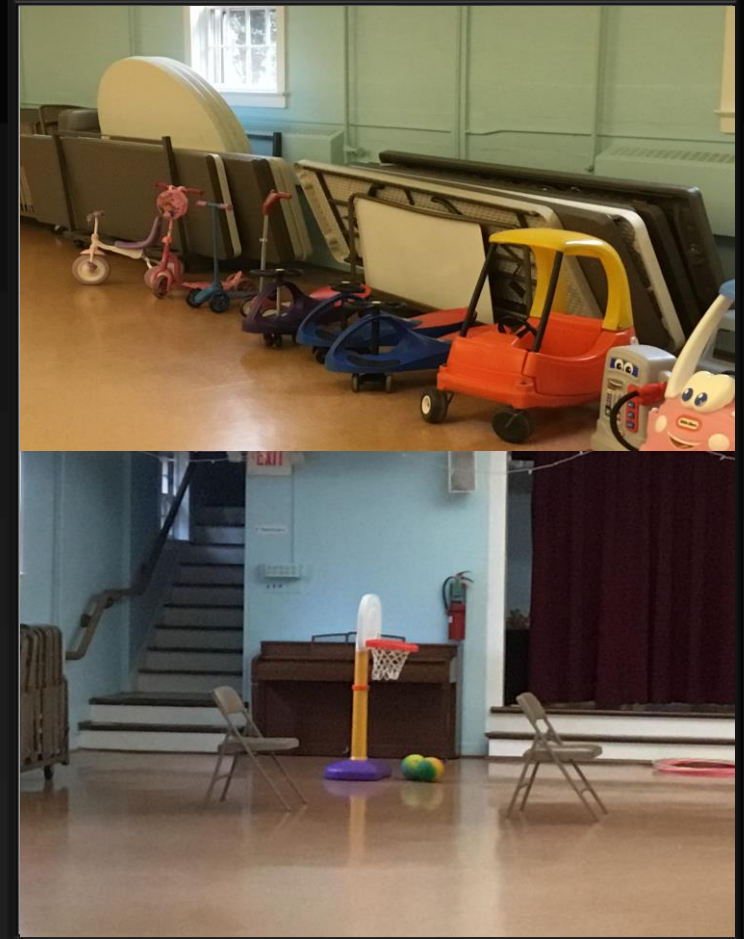

DOWNSTAIRS BATHROOMS

INDOOR PLAY AREA

We are very fortunate to have a large indoor play area to use when we have inclement weather or low temperatures do not permit us to be outside. We have a variety of gross motor equipment and activities that we use to develop balance and coordination as well as exercise all the parts of our bodies.

INDOOR PLAY AREA

Some of the equipment we use are tricycles, scooters, balls, balance beams and hula hoops. We also provide some quieter activities such as building with blocks, legos and hopscotch. At times classes will participate in large group activities such as the parachute and obstacle courses.

PLAYGROUND AREA

This is our outdoor playground area. Our playground is contained in a fenced in area and monitored by the teachers. Our teachers are certified in first aid and CPR. Children can enjoy sliding, climbing and imaginative play here with their classmates.

THANK YOU FOR VISITING
OUR SCHOOL
